eb facials

At eb we work in partnership with you to achieve the skin results you desire. We aim for more than temporary feel good results. Together, we will create a program for your specific needs with regular, consistent salon treatments and a clear, established home care routine.

Your skin treatment therapist will recommend the best treatment for you. All treatments commence with a relaxing aromatherapy back massage and are finished with a complimentary application of sun block.

eb Aromatherapy Facial \$100

Regain your equilibrium with this treatment which includes our signature back massage using a special selection of essential oils to enhance total relaxation.

eb Extraction Facial \$100

This facial is designed for those who like a result orientated treatment, to remove impurities, while still enjoying the benefits of our aromatherapy facial.

eb Superfacials

Our Superfacials include a peel to create a clean and youthful glow for your skin and our signature aromatherapy back massage.

The peel is customised to suit you individually and helps to correct surface discolouration and blemishes, stimulate cellular renewal, improve circulation and rebuild collagen. Peels vary according to their specific ingredients and their strength.
